Privacy and quietness full of greenery

\$129,000.00 USD

Great location for a condo in one of the most attractive areas of San Carlos: the golf course. This particular condo gives you the privacy of a home due to its excellent location within the complex. You will enjoy one of the most quiet and private terraces full of greenery that has been grown with love and care. You have access to your condo from the street and from the inside. You can park outside right in front of your condo, or else in the interior parking lots.

This is a two stories, two bedrooms, two full bathrooms unit. Many upgrades have been made in this condo: new tile floors throughout the whole condo, new tiles in bathrooms up to the ceiling, both bathrooms have tempered glass doors for the shower/tub and handicaps handles. Kitchen has granite countertops, and a comfortable laundry. Two swimming pools in the complex and one of the most perfectly landscaped and maintained common areas of San Carlos.
