

392 Manglares

Ocean Front

What a Beautiful Beachfront Property that will fit any lifestyle that you are accustomed to. This great 3 bedroom, 3 bath home with 3000 sq. ft is very nicely furnished, has all new appliances, lots of space for entertaining, wonderful back yard area that is beautifully landscaped and has large barbeque with quality outdoor furniture for many parties with family and friends.

All furniture and appliances are included. The views of the Sea of Cortez is breathtaking and you will love listening to the waves each and every night. There is lots of storage space inside the home and two large storage sheds (bodegas) near the entrance of this home. Parking is for 2 cars, and you will certainly be happy with the storage for many toys of your choice. What a great home to have for your retirement or vacation
